👁 3 ✓ 0 ★ 1

Chapter 1 by *-*

When i woke up i got ready for work and got outside to my car. I could breath the cold air from outside. My cheeks got red. I turned on my car, and went to work. When i got there I saw the wind coming towards me. I entered the office. All i heard was the hands of people typing on the computer. I went to my desk and started working like every normal day. Amanda my boss came over to me and said, "I have to go out to eat, so can you take care of a meeting for me. It starts at 4:00 p.m.It is a very important meeting, so do not blow it." I said sure. At 4:00 p.m. i went into the meeting room when suddenly i felt this breez where it made me nervous about this meeting. When it started i murmured, and left right away. I was going to be fired.
